Be Thou My VISION

FAMILY • CHURCH • GOVERNMENT

The *Be Thou My Vision* tour will seek to envision pastors with new strategies to equip families to protect their children and ways to off ramp them away from bad schools; historic opportunities for the Church to practically minister to mothers in crisis pregnancies; and introducing the Capitol Project, a fresh new way for pastors to approach, partner with and minister to the leaders of Civil Government.

Be Thou My Vision
is a **Thirteen-City Florida Tour** for Pastors

- Protecting Children
